SERVICE AIMS

Our services are modern, bright and comfortable, offering homely accommodation and living environments, in shared properties in the community.

KEY FEATURES

Woolwich House affords access to a huge number of community-based activities, education services and programmes. We can provide Supported Living packages tailored to requirements from single to shared living.

If you choose support by Myrtle Healthcare staff, you can rest assured that we have a team experienced and skilled in providing high-quality support to individuals with moderate to severe learning disabilities, autistic spectrum and mental health conditions.

In addition to support, we also work closely with Multi-Disciplinary Teams (MDTs), and the Local Authority's health and social care professionals to ensure your physical and emotional needs are met.

WHAT WE OFFER

This secure 4-bedroom accommodation, with single occupier rooms, each fully furnished with the following items: single bed, wardrobe, dressing table, chest of drawers, mirror, and a bedside stool. Each of our rooms also comes with a smart television and 24-hour internet / WiFi access. It has 1 ensuite, 1 shower room on the ground floor, and a bathroom shared between the other bedrooms. The home also features a kitchen / dining / sitting area, and a large garden.

The home is well-situated in a quiet residential area close to Abbeywood station with very good transport links to London. Located nearby is Danson Park and Bexleyheath Shopping Centre.

LIFESTYLE

The home is situated within 10 minutes' bus ride to the town's retails facilities, leisure centre, and more. The activities in the home are tailored around each individual's hobbies and interests. The service offers a mix of community-based activities and in-home activities that support people supported in developing life skills including painting, pottery, martial arts, cooking, cleaning and more.
